A Key Worker who will help you overcome barriers to find work, education or training!

Your Own Key Worker:

When you join the Crossroads Project you will be linked with a Key Worker, if you think you may require one. Your Key Worker will meet with you once a week for a couple of hours and can help you with a range of things such as:

- Setting up a bank account
- Looking for a job
- Filling in application forms
- Talking about what you might want to do next
- Visiting colleges and training centres that you may be interested in applying to

Key Workers, as well as all of the Crossroads team, are there for you. They will not put pressure on you to do something that you don't want to, but they will help you to find out about things that interest you.
