

**Maximise  
your  
potential**

## **Learning and Development Opportunities for You!**

### **Integrated Working to Improve Outcomes for Disabled Children**

27 June, 9.30-12.30

Hudson Boardroom, West Offices

Free to attend

**For:** managers and practitioners working with disabled children in CSES, ACE, and the Health Service, and parents/carers

We are excited to welcome a host of fantastic speakers covering developments in multi agency working to support disabled children, young people and their families. This is an excellent opportunity to find out quickly new developments and hear some great practice. This conference will keep you updated on developments in multi-agency working to support disabled children, young people and their families.
