

I know a word

Letters and Sounds - Phase 1 - Aspect 4
Rhythm and Rhyme

Talking about Sounds

Main purpose: To talk about words that rhyme and to produce rhyming words

- Get the children to make a snack mat for themselves that rhymes with their name (if possible) Remember to be sensitive
- As you give out snack say; I would like someone who rhymes with dolly to come and get her milk (Molly)

- When going to line up/ get coats on/ tidying up, say some silly rhyming sentences for each child's name even if it is nonsense. When they hear their name they can go and line up etc...

- As the children wash their hands see if you can make up a rhyming sentence incorporating their name; e.g. Come on Josh, lets have a wash and try and not make he water splosh!
