### Playdough Recipe

- 2 cups of plain flour
- $\frac{1}{2}$  cup of salt
- 2 teaspoons cream of tartar (can be left out
- as this is only to make it keep longer)
- 2 tablespoons of cooking oil
- $1 \frac{1}{2}$  cups boiling water
- food colouring
- Essence (to make it smell)
- 

### How to make it

- Mix all dry ingredients in a bowl
- Add oil, colouring and boiling water
- Mix thoroughly, until it comes together
- Knead well

Play dough will keep well 3-4 weeks in an airtight tin, box or bag in a fridge (with cream of tartar)

Make some sausage  
out of play dough  
to sizzle in the pan

### Fact

Playing with play dough will help  
me to write when I am  
older because  
it will make my hands stronger  
so I will be able to hold a pencil
