

Activity One

Letters and Sounds - Phase 1 - Aspect 6

Voice Sounds

Tuning into sounds

Main purpose: To distinguish between the differences in vocal sounds, including oral blending and segmenting

Pretend to eat different kinds of foods whilst waiting for snack. I.e. apple, ice cream, sandwiches

Eating and drinking, licking ice cream or lolly, sucking drink through a straw.

Copying adult game, "Can you do this with your tongue?" Licking lips, licking top and bottom teeth, touching nose with tongue, curling tongue, wagging tongue side to side and up and down.

"Can you suck the water up?" pretending to suck through a straw.

"Watch it swish and swirl away down the plug hole"
SWISHY, SWASHY, SWISHY, SWASHY,
SPLASH, SPLOSH. SPLASH, SPLOSH!

As water goes down the plug, move tongue around in a circle like the water going down the drain.

Making noises whilst changing nappy,

"n,n,n,n, nappy"

Face to face expressions, smiling,
sticking tongue out, blowing raspberries...
