

How to make invitations with symbols using Communicate: In Print

1. Open Communicate: In Print
2. Click the bottom icon on the left hand side to switch the graphic resources on
3. Click on the patterns file on the right hand side
4. Click on the borders file on the right hand side
5. Choose a border
6. Click once on the border and once on the empty page
7. Use resizing handles as necessary
8. Use the top owl icon to create a text box and type freely. Symbols will appear
9. Delete unnecessary symbols by highlighting the text and using F9

Have fun
