

Do you love singing, having fun and making new friends?

Junior IMPs is an inclusive music club for disabled and non-disabled children where you can:

- Learn to sing and sign
- Take part in performances
- Write your own songs
- Have a lot of fun
- Make new friends

Junior IMPs is for children aged 5 – 10 who love to sing and sign. IMPs members include children with a range of disabilities, siblings and friends of disabled members and children who simply love making music with friends.

You don't need any previous musical experience to join and we support everyone to get involved and express themselves in the way that works best for them.

Singing and signing is a fun way to build confidence and develop skills in communication and music making. Singing in a group is also a great way to make new friends!

When: Mondays during term time

Time: 4:30 – 5:30 pm

Cost: £4 (subsidised places available)

Where: Burton Stone Community Centre, Evelyn Crescent, York YO30 6DR
