

City of York Banding Thresholds January 2017

**Deaf & Hearing
Support**

City of York Banding Thresholds

These Thresholds were developed with reference to the special educational needs and disability code of practice 0 to 25 years: Statutory guidance for organisations who work with and support children and young people with special educational needs and disabilities (July 2014)

Chapter 6 of the SEN Code of Practice outlines 4 broad areas of need:

- **Communication and interaction**
- **Cognition and learning**
- **Social, emotional and mental health difficulties**
- **Sensory and/or physical needs**

This Threshold document refers to Sensory and/or physical needs—Hearing Impairment

Descriptors of need are adapted from the National Sensory Impairment Partnership (NatSIP) Eligibility Framework (Summer 2015 Edition)

6.34 Some children and young people require special educational provision because they have a disability which prevents or hinders them from making use of the educational facilities generally provided. These difficulties can be age related and may fluctuate over time. Many children and young people with vision impairment (VI), hearing impairment (HI) or a multi-sensory impairment (MSI) will require specialist support and/or equipment to access their learning, or habilitation support. Children and young people with an MSI have a combination of vision and hearing difficulties. Information on how to provide services for deafblind children and young people is available through the Social Care for Deafblind Children and Adults guidance published by the Department of Health

FUN DING	DESCRIPTOR HEARING IMPAIRMENT	ASSESSMENT AND PLANNING	TEACHING & LEARNING STRATEGIES	CURRICULUM/ INTERVENTIONS	RESOURCES (including staffing)
0 Mainstream Element 1 £4K	<p>The CYP experiences needs which are managed well in a mainstream class</p> <p>The CYP may have:</p> <ul style="list-style-type: none"> • Fluctuating conductive hearing loss • Mild hearing loss <p>Description of need:</p> <ul style="list-style-type: none"> • A CYP who has a reoccurring conductive deafness. This may be associated with middle ear infections, glue ear, temporary perforated eardrums. This CYP may: <ul style="list-style-type: none"> • appear dreamy, disruptive, distracted and demanding • find it difficult to listen and attend to speech • be withdrawn and wait for cues from others in the class • find it difficult to listen in background noise • not hear clearly in a group situation • have unclear speech • give the impression of being able to listen when s/he wants to! • have a vocabulary deficit or delayed language • be experiencing difficulties acquiring phonic 	<ul style="list-style-type: none"> • Schools key stage 1 to 4 assessments. • Monitoring of CYP's response to positive feedback. • Observations by Teacher / class TA /KS Coordinator. • advice and support from the parents. • Information from the child re their opinions and preferred strategies using person centered approaches. • The school is proactive in identifying individual needs and monitors that action is taken. • Risk assessment where appropriate 	<ul style="list-style-type: none"> • The teacher is held to account for the learning and progress of the CYP in the mainstream class • Quality First Teaching meets the needs of all pupils and includes: <ul style="list-style-type: none"> • Flexible grouping arrangements. • Some differentiation of activities and materials, Differentiated questioning • Use of visual, auditory and kinesthetic approaches. • Awareness that a CYP may need more time to complete tasks and that equality of access may mean that they need to do some things differently. • Resources and displays that support independence. • Environmental considerations are made to meet the needs of all CYPs e.g. the listening environment taking into account seating, lighting and acoustics. • An understanding that the hearing impairment may have a wider impact on a CYP's social and emotional well being despite the apparent lack of obvious impairment. The CYP may also be vulnerable to bullying or have low self-esteem. • Awareness that a CYP may need more time to complete tasks and that equality of access may mean that they need to do some things differently. • Use of teaching strategies that develop the independent learning of the CYP 	<ul style="list-style-type: none"> • The school can demonstrate an inclusive ethos that supports the learning and wellbeing of all pupils • The wider curriculum promotes positive examples of diversity • A broad and balanced curriculum is planned for all pupils • SEAL materials and interventions. • Anti bullying is routinely addressed and pupils are confident in reporting incidents • appropriate differentiation of task and teaching style. • Opportunities for social interaction between peers and the wider community of the school may need to be engineered to bolster self esteem and confidence. • Consideration to CYP's learning style. • Other school pastoral interventions could include <ul style="list-style-type: none"> - Meeting and Greeting - Circle Time - Peer mentoring - Buddy systems - Restorative Practice - ELSA support - Lunch clubs 	<ul style="list-style-type: none"> • The school employs additional adults to support the needs of all pupils e.g. MSAs, Family Support Worker • All staff have received training on SEN and understand how to support with learning difficulties. Whole school CPD has included use of deaf friendly teaching strategies • School staff access LA training to keep informed on meeting the needs of CYPs. • Staff make use of a wide range of resources, including those produced within the LA, to inform their inclusive practice. E.g. <ul style="list-style-type: none"> • Self Review Framework. • Wave 1 Resource File • Writing a Case Study • Quality First Teaching. • Whole school inclusion policies and practice implemented consistently. • Other relevant materials • Main provision by practitioner in setting • general advice re hearing loss available on CYC portal.
