

.....Partnership Inclusion Offer

“Inclusion is a journey with a clear direction and purpose: equality of opportunity for all children and young people”

Our Partnership

Local schools
Nurseries
Playgroups
OOSC
Local Childminders

Support for SEND

There is a named partnership SENCo who offers support and expertise to all setting SENCO's within the partnership.

Partnership meetings offer the opportunity to discuss, plan and prepare for your child attending a school/setting

Partners

We liaise with Health Visitors, local Children Centres, and local support services such as the Specialist Teaching Teams including Portage, Early Support and the Child Development Centre (CDC)

Experience

Allergies, Eppipen
Anaphylaxis, Epilepsy
Diabetes insulin dependant
ADHD, Hemiplegia
Dystrophic Epidermolysis bullosa, Asperger's Syndrome
Hypophosphatasia, Mastocytosis, PXE (Pseudoxanthoma Elasticum)

Transition

It is important at this time that we keep open lines of communication between each settings staff and parents sharing information. Transitions can be a very positive time for your child, staff ensure that your child will feel safe to branch out and explore supporting them both emotionally and socially. Strategies for each child's unique needs will be agreed by both staff and parents to support your child through this very important time in their lives.

Resources

Accessible Parking
Accessible Toilet
Ramps
